

14 days journey through the centuries:

- **Lisbon**, where the discovery and conquest was planned in the XIV century,
- **Porto Seguro**, where Pedro Alvares Cabral landed in the year 1500 with his ships,
- **Salvador da Bahia**, the first capital of the new country and center of the slavery in Brazil,
- **Recife**, the center of the Dutch occupation in the XVII century,

- **Rio de Janeiro**, the capital of Brazil since the XVII century and of the Brazilian Empire in the XIX century,
- **Brasilia**, the current capital of the country, designed in the XX century to show the orientation of Brazil towards a great future.
