

## 26 days from Italy to the North Cape

Our journey starts in **Rome**. We will cross the “Apennine”, the central highland of Italy, after **Florence** and travers the plain of the river Po towards **Verona** and the Alps. The glacier time formed Pre-alps start after **Garmisch-Partenkirchen** and end at the river Danube after **Munich**. We will cross the highlands of the „Bohemian Forrest“ on our way to **Prague**, the „golden town“. The landmark of this world famous town is the castle „Hradschin“ and the cathedral of Saint Vitus.

Colosseum Rome, Zugspitze, Hradschin Prague, Parliament Berlin, Geiranger Fjord Norway

We will continue our journey with the baroque city of **Dresden** heading afterwards towards **Berlin**. The plain of northern Germany will be passed on the way to Hamburg where we will check in on our cruise on the North Sea. We will reach the **North Cape**, the most northern point of the European mainland, with an intermediate stop in Aalesund. We will visit the fascinating world of the Norwegian Fjords during our way back to Amsterdam and Hamburg.
